

Add Open License to VLSC account

Step 1: - Login to the VLSC account. On the home page click on >**Add an Open License to your profile**.

Step 2: - Enter the **License Number** and the **Authorization number** received in the license copy. Click on the below check box and click **Submit**.

(Note: - it takes 2 business days for the license to reflect on the VLSC account)

Step 3: - Go to home page click on Licenses > Relationship Summary and check if the licenses were added.
